Pastries!

Whether you've got three minutes before hitting the road for work, or time for a leisurely morning sipping our fresh-brewed Stumptown Coffee drinks, Model Bakery's pastries simply hit the spot! We feature a virtual kaleidoscope of daily baked pastries for your on-the-go lifestyle or for savoring in our bakery shops. In addition to our varied selection of classic French pastries, scones, croissants and other delightful indulgences, we also offer daily specials, our fan-favorite Morning Glory muffins, and of course – our world-famous English muffins, recently featured on Oprah's Favorite Things List 2016 as one of Oprah's top favorites! If English Muffins were rock bands... our version would be the Beatles... incomparable!
