

BLENDS 8

Breakfast Blend

\$11.35

a unique north beach version of an old favorite--a sweet, light to medium-bodied coffee. this blend includes south and central american and african beans as well as other fine light and dark roasts.

Dark French

\$11.35

a strong, rich blend which expresses the finest quality blending and roasting. we take particular care in the roasting process not to burn and/or bring too much of the natural oil to the surface. the result is a full-bodied balanced blend.

Dark French Supreme

\$11.35

truly an exquisite blend of our dark french and italian espresso which exhibits both intense strength and a polished finish while being a bit milder than pure dark french.

Italian Roast Espresso

\$11.35

this prime quality blend is medium-dark roasted in the true italian tradition preserving most of the essential flavor producing oil but yet extracting just enough of this essence to accentuate the other flavor characteristics--there is no bitter edge. its rich, strong body and smooth, mesmerizing aroma make this coffee perfect for use in espresso machines as well as drip-type brewers.

Light French Roast

\$13.15

an uncommon medium-roast that's well rounded in flavor and aroma. it approaches our italian roast in completeness but is gentler to the palate. superb as a drip coffee.

Mocha-java

\$11.80

our unique blend of several premium mochas and only the best estate grown javas raises this old standard to an uncommonly high level. it is light to medium-bodied with a smooth, bittersweet chocolate finish.

North Beach Blend

\$11.80

a blend of one of our medium roast blends and medium-light roast blends, this coffee offers a well-rounded flavor with a delicately sweet overtone and a modest but substantial, distinct aroma.

Viennese

\$11.35

a combination of our light and dark french roasts. this blend offers the smoothness of our light french and the distinct, potent note of our dark french.

VARIETALS 1

100% Colombia

\$13.15

pure 100% colombian coffee at its finest. our sources for these beans from the best plantations can perhaps be considered the finest in colombia. well-rounded and distinctively sharp in flavor and aroma.

FLAVORED 2

Hazelnut Mocha Blend

the essence of hazelnut flavor with a bouquet that hints of amaretto married with our own light-bodied blend of light-roasted mochas and choice south american beans.

\$17.80

Vanilla Mocha Blend

a pleasant, well-rounded vanilla flavor married with our own light-bodied blend of light-roasted mochas and choice south american beans

\$11.80

DECAF

2

Colombia Decaf Blend

a classic blend of our dark french and light roast decafs. packs the punch of the dark french with the smoothness and distinctive flavor of our light roast.

\$14.30

Colombia Decaf - Dark French Roast

excellent, full flavor and aroma with only 1% or less caffeine. we use only the optimal grades of 100% pure colombian beans. our decafs are scrutinized as closely as our other beans whereas most purveyors take the quality of all decafs for granted.
