Iced Latte

An iced latte is a chilled coffee beverage that's made by mixing espresso with chilled milk, simple syrup, and ice cubes. It's also known as "café latte iced" or "latte on the rocks." Call it what you want, but we call it perfection after our baristas crafted tens of thousands of them over the years.

AVAILABLE OPTIONS

- Regular: \$5.35
- Large: \$5.85

Cappuccino

A cappuccino is similar to a latte, but the proportion of steamed milk is different. One third espresso, two-thirds steamed milk, with a thin layer of foam on top.

Mocha

Can't get enough coffee? Can't get enough hot chocolate? Then try a mocha. This hot drink is a combination of the two and the best of both worlds. Want it iced? The combination of a full-bodied espresso with a sweet mocha sauce, milk of your choice and ice are elevated in the blending. Make it even more awesome when topped with whipped cream and chocolate drizzle. (Standard per mocha is two espresso shots but you can custom if you want more.)

AVAILABLE OPTIONS

- Regular: \$5.65
- Large: \$5.95

Americano

An espresso shot with hot water at a 1:3 to 1:4 ratio, resulting in a drink that retains the complex flavors of espresso, but in a lighter way.

AVAILABLE OPTIONS

- Regular: \$4.20
- Large: \$4.50

Macchiato

An espresso coffee drink, topped with a small amount of foamed or steamed milk to allow the taste of the espresso to still shine through. Macchiatos are smaller in size from most other espresso-flavored drinks. (Ours, like other places, is about 4 to 5 ounces, depending on which size you order.)

AVAILABLE OPTIONS

- Regular: \$4.15

Nitro Cold Brew

Slow-steeped for 20 hours, our cold brew coffee has been infused with nitrogen gas. In addition to giving the drink a smooth, creamy texture, it also adds a natural sweetness and reduces the bitterness of coffee, which makes it a great choice for coffee lovers and new coffee drinkers alike.

Cold Brew	AVAILABLE OPTIONS
Slow-steeped for 20 hours, our cold brew coffee can be served with ice or with nitro. (We have Nitro Cold Brew listed separately on the menu.) In addition to giving the drink a smooth, creamy texture, it also adds a natural sweetness and reduces the bitterness of coffee, which makes it a great choice for coffee lovers and new coffee drinkers alike.	Regular: \$5.45 Large: \$5.85
Espresso	AVAILABLE OPTIONS
An Italian origin in which a small amount of nearly boiling water is forced under 9 to 10 bars of pressure through finely-ground coffee. Most coffee shops do not make proper espresso. (Their machines produce concentrated coffee.) Real espresso should have a layer of crema on the top and ooze out of the portafilter like honey. Our machines are calibrated to ooze properly and we use the best coffee beans and roast degrees to ensure quality espresso. (For more than one shot, adjust the options.)	Solo: \$2.45 Doppio: \$2.95 Triple: \$3.45 Quad: \$3.95
Frappuccino	AVAILABLE OPTIONS
A frappe is a Greek iced coffee drink made from instant coffee, water, sugar and milk. Basically a milkshake with coffee base. But whip cream and drizzle (or not), it is an awesome drink. We can thank the Greeks for this one.	Regular: \$5.95 Large: \$6.45
Lotus Drinks	AVAILABLE OPTIONS
Lotus is the original plant-based energy concentrate in the USA. Featuring a proprietary blend of Earth’s seven most powerful plants, b-vitamins, amino acids and natural caffeine. Ask about the many flavors!	Regular: \$5.95 Large: \$6.45

We believe this is the best lemonade you will ever have. Want some variety? Try the Strawberry Lemonade (our favorite) and Peach Lemonade (everyone's favorite) because we use real fruit.	Regular: \$4.95 Large: \$5.45

Breakfast Tots

\$2.90

The perfect breakfast side dish. These hash browns are made from freshly peeled, American grown potatoes. These gluten free tots are made of shredded potatoes, heated to a golden, crispy texture to ensure they are a notch above the ones you get elsewhere. We also give a healthy portion of them -- not a small amount in a baggie like other places.

Oatmeal

\$4.25

This is no boring old oatmeal. From the first bite to the last, you've going to love the rich flavor like no other! Some places sell oatmeal that is loaded with too much sugar. Others sell oatmeal that tastes dry like cardboard. We found the perfect balance. Proud to announce we provide twice the oatmeal compared to another coffee shop down the road. Easily customizable with whatever toppings you want.

Waffles

\$4.95

Our waffle recipe makes the best waffles that are crisp on the outside and fluffy in the middle. We don't use those mass-produced waffle mixes like others do. We went on a mission to create what should be the best waffles in Harford County. You can also add any toppings (at no extra charge) to your waffle for perfection. (Just don't ask for ketchup. That's disgusting.)

Sausage Gravy & Biscuits

\$7.95

An easy, southern-style sausage gravy with flaky homemade biscuits makes the BEST Biscuits and Gravy! One of our favorite breakfast recipes of all time!

Avocado Toast

\$8.95

Lunch was never healthier. A mash of ripened avocado with bacon pieces, tomatoes, and spices on English Muffins -- so tasty! Note: Our Avocado Toast comes on Toasted English Muffins and in a one-size container. Don't worry, you are still getting the same amount regardless of how the Avocado Toast is served.
