Please Note

*2,000 calories a day is used for general nutrition advice, but calorie needs vary. Additional nutritional information available upon request.

COFFEE - HOT 15

Latte

The global café favorite. Double espresso with steamed, silky textured milk and one inch of velvety micro-foam.

Flat White

An Australian classic. Double espresso with steamed silky textured milk and a thin layer of micro-foam.

Cappucino

Double espresso with steamed milk and slightly more micro foam than a latte with cocoa dusting on top.

Long Black

Single Origin espresso gently resting on a small amount of hot water for dilution, similar to an Americano.

Hot Brew

Our signature flagstaff roast has tasting notes of toasted almonds, vanilla & chocolate with a caramel sweetness and juicy finish.

Magic

A stronger, less diluted spin on a flat white – two shots of espresso in a 4.5oz cup with steamed milk and velvety micro foam, similar to a European Cortado.

Espresso

Our new Single-Origin espresso from the Tarqui region of Huila, Colombia. Carefully roasted to highlight unique tasting notes of orange, vanilla, and brown sugar.

Macchiato

Our signature maverick espresso with a stain of steamed milk and micro foam.

Piccolo

A single shot of espresso with 3 oz. of steamed, silky textured milk, served in a small glass.

Chai Latte

Chai extract with your choice of milk.

Mocha

Double shot of espresso and cocoa spun in a pitcher with steamed, silky textured milk, dusted with chocolate shavings.

Hot Chocolate

Deliciously rich cocoa spun in a pitcher with steamed, silky textured milk. Served with chocolate shavings.

Hot Milo

An Aussie Favorite. Malted chocolate with your choice of steamed milk.

Bambiccino

BL for the little ones. Steamed and frothed milk with a dusting of cocoa.

Please Note

*2,000 calories a day is used for general nutrition advice, but calorie needs vary. Additional nutritional information available upon request.

COFFEE - COLD 13

Draught Flat White with Califia Oat Milk

Combining our signature Flagstaff blend cold brew, with the creamy unsweetened Califia Oat Milk and infused with nitrogen for a silky cascading balanced flavor. Bluestone Lane's Draught Flat White is vegan, gluten free and non-GMO, with Califia Oat Milk that is unsweetened, made with whole rolled, gluten free oats and has no gums or stabilizers.

Draught Nitro Cold Brew

BL's hand-crafted cold brew coffee is made using a brew method to achieve perfect extraction. Simply unrivaled in quality, BL nitro is accented by velvety smoothness and fudgy notes, absent of bitterness or acidity.

Cold Brew

Our signature flagstaff coffee immersed in water for 12 hours to extract and form a rich concentrate.

Iced Latte

Double shot of our signature maverick espresso blend with your choice of milk, poured over ice.

Iced Long Black

Rotating Single-Origin espresso poured over ice and water.

Iced Magic

A stronger, less diluted spin on an iced latte – two espresso shots with ice and milk.

Iced Mocha

Double shot of espresso and cocoa spun in a pitcher with your choice of milk, poured over ice.

Iced Chai Latte

Chai extract with your choice of milk, poured over ice.

Iced Milo

Malted chocolate with vanilla ice cream and your choice of milk.

Aussie Iced Latte

A double shot of espresso with vanilla ice cream and your choice of milk.

Cold Brew Float

Our signature flagstaff coffee immersed in water for 12 hours to extract and form a rich concentrate, served with vanilla ice cream.

Affogato

Vanilla ice-cream served with a double shot of our signature maverick espresso.

Please Note

*2,000 calories a day is used for general nutrition advice, but calorie needs vary. Additional nutritional information available upon request.

ORGANIC TEAS & WELLNESS 15

Iced Melbourne Breakfast Tea

Our cold brewed Melbourne Brekky is a smooth, strong blend of organic Ceylon tea. This robust brew provides a refreshing boost for any time of day.

Iced Spring Trellis Tea

Green rooibos, raspberry, lemon peel and hibiscus. This non-caffeinated cold brewed tea is tart and refreshing with natural sweetness. Plus, it's full of antioxidants to help toxin release and promote healthy skin.

Matcha Latte

Ceremonial grade matcha green tea powder that naturally detoxifies the body, is rich in antioxidants, and provides a valuable source of fiber and vitamins made with steamed almond milk.

Iced Matcha Latte

Ceremonial grade matcha green tea powder that naturally detoxifies the body, is rich in antioxidants, and provides a valuable source of fiber and vitamins with almond milk.

Golden Latte

Turmeric powder, cinnamon, ginger and black pepper, good for detoxifying the body and reducing inflammation made with steamed almond milk.

Iced Golden Latte

Turmeric powder, cinnamon, ginger and black pepper, good for detoxifying the body and reducing inflammation made with almond milk.

Beet Latte

Dehydrated beet powder that is rich in antioxidants, and good for digestion. This drink is married with a dusting of cocoa and steamed almond milk.

Iced Beet Latte

Dehydrated beet powder that is rich in antioxidants, and good for digestion. This drink is married with a dusting of cocoa and almond milk.

Melbourne Breakfast

This smooth, strong blend of organic Ceylon tea can be enjoyed with or without milk and, despite the name, at any time of day.

Earl Grey

Twice-refined organic Spanish bergamot oil is blended with organic Ceylon tea and cornflowers to create a clean, refreshing and aromatic blend traditionally appreciated in the afternoon.

Lemongrass & Ginger

A much-loved favorite, this premium blend of organic ginger and lemongrass tea has made its way here from Sri Lanka. The sweet lemongrass balances out the gingery spice, creating a vibrant and energizing brew.

Sencha Green

The long, slender leaves of this green tea produce sweet, mellow liquor that contains EGCG, a catechin said to lower the risk of cancer, chronic fatigue and neurological diseases.

Peppermint

A classic herb widely appreciated as a digestive and a revitalizing tonic, organic Egyptian peppermint is picked at the peak cropping season, resulting in a bright, fresh aroma and clean, lasting finish.

Chamomile

Harvested in the warmth of Egypt's summer, the sweet, aromatic flowers of chamomile calm nerves, soothe stomachs and leave you feeling peaceful and relaxed.

AT HOME COFFEE & PACKS 12

Maverick Capsules

Our signature espresso blend in a sleek, guilt-free capsule you can compost at home. Maverick embodies the quintessence of Australian coffee culture—with a full-bodied, well-structured subtlety that leaves you wanting a second cup. All capsules are only compatible for Nespresso® Original machines. Not compatible for Keurigs and Nespresso® VertuoPlusLine.

Riptide Capsules

Big flavor—in a small package you can compost right at home. Riptide is strong enough to pull you in and complex enough to bring you back for seconds—because what's ebb without flow? Boldly roasted for early risers and dawn riders. All capsules are only compatible for Nespresso® Original machines. Not compatible for Keurigs and Nespresso® VertuoPlusLine.

Bayside Capsules

Your best Aussie mate is a real greenthumb: Playful, even-keeled, and good for the soul (because these sustainable capsules can be composted at home). This light roast piques curiosity—with a nuanced complexity you can enjoy all day. All capsules are only compatible for Nespresso® Original machines. Not compatible for Keurigs and Nespresso® VertuoPlusLine.

Decaf Capsules

For arvos, after-suppers, and any time you crave a cup—but not the kick. This decaffeinated espresso sets the bar for full-bodied flavor without force—because who doesn't love to have their cake and eat it, too? All capsules are only compatible for Nespresso® Original machines. Not compatible for Keurigs and Nespresso® VertuoPlusLine.

Flagstaff

Our legendary drip coffee is balanced and versatile—a staple for cold-brewers and filter fans. Like all our roasts, Flagstaff is a blend of meticulously, direct-sourced beans grown by farmers who we proudly call mates. BEST FOR: cold brew and filter extraction

Maverick

Bluestone Lane signature espresso blend. This is what we use in all our shops. Designed to perfectly complement milk with rich notes of cocoa, clove and honeycomb – expect a cup that is well-structured and has a creamy, full-bodied mouthfeel.

Riptide

A dark roast made for bold strides, long rides, and rising tides. Bold-but-complex, Riptide is big flavor on an even keel—for every ebb, and all the flow. Roasted for early risers and dawn riders. BEST FOR: espresso shots & long blacks

Bayside

Your best Aussie mate. Never one to turn down an adventure or an all-nighter, but always keen on a beach day, a good book, and a comfortable silence. Bayside is curious but dependable—a nuanced light roast made for all-day, any-way sipping. BEST FOR: lattes & coffee based bevvy's

Decaf Colombian

For arvos, after-suppers, and any time you crave a cup—but not the kick. This decaffeinated espresso sets the bar for full-bodied flavor without force—because who doesn't love to have their cake and eat it, too?

Califia Oat Milk 1QT

1QT Califia Barista Edition Oat Milk. Vegan, Gluten-Free, Kosher, & Dairy-Free and made with whole rolled, gluten free oats grown in North America. This oat milk steams beautifully, perfectly pairs with coffee, and tastes dang-good by itself with no gums or stabilizers.

Califia Almond Milk 1QT

1QT Califia Barista Edition Almond Milk. Vegan, Gluten-Free, Kosher, & Dairy-Free with full-bodied goodness, this milk functions as both a "steamer" and creamer for your daily fix of BL coffee or HUSK granola.

Please Note

*2,000 calories a day is used for general nutrition advice, but calorie needs vary. Additional nutritional information available upon request.
