SIDES & SWEETS 12

Jalapeño Cheese Bombers®

Crisp, golden brown bites filled with creamy cheddar cheese and spicy jalapeño bits. Bite-sized comfort food, with a kick.

Corn

Sweet, buttery and bursting with flavor. Our corn is like the dessert of the vegetable world.

Fries

We fry things. It’s what we do. So of course we have the best fries. Crinkle cut and crisp, they are perfect with our chicken. But good enough alone, too.

Honey-Butter Biscuit™

We serve millions of biscuits every year because people are head-over-heels in love with them. Scratch-made in small batches all day long, and drizzled with honey butter, they don’t just “sell like hotcakes.” They sell like our Honey-Butter Biscuits™, which is better.

Baked Mac & Cheese

We take mac & cheese, sprinkle shredded cheddar cheese on top, then bake it to golden perfection. A fork never had it so good.

Fried Okra

Fried okra is a passion – and hard to get just right. Ours is cut into delicious bite-sized bits, then fried to the perfect level of crisp. So perfect, most other joints won’t even try.

Jalapeño Pepper

Old-school Church's® guests have been doing it for decades. But they don’t run around telling everyone about it, so we’re telling you. Order a jalapeño pepper and squeeze the juice onto your chicken. In-the-know Church's® eaters have been rolling like that since 1952.

Coleslaw

Creamy, tangy and delicious. It’s the perfect way to cool down your mouth after taking a bite of our spicy chicken.

Mashed Potatoes

Before you get to the potatoes, let’s talk about our savory, rich gravy. OK, now that we’ve done that, imagine it over a generous portion of delicious mashed potatoes. Now that's perfection.

Cup of Gravy

Rich, savory brown gravy perfect for dipping all of your favorite Church's® offerings - from legs, thighs, or tenders to french fries and okra.

Apple Pie

Satisfy your sweet tooth with our Apple Pie. Juicy apple slices, sprinkled with cinnamon, baked in a crispy, flaky crust and finished with our sweet icing. Can’t ask for more than that. Except for another bite.

Frosted Honey-Butter Biscuit™

Dreams do come true, our signature Honey-Butter Biscuit™ is drizzled with our delicious sweet frosting.
