---

### Peanut Butter and Jelly

**\$4.49**

If your precious child wants PB&J in a legendary BBQ joint like Bubba's we need to talk. No self-respecting Southerner would even think of passing up NC BBQ, Bubba was raised where meals for kids come in two choices: take it or leave it. Which is why he offers kids 10 years old or younger better choices than he ever had (But don't get him started or he'll be at it all through your meal)
