COLD-PRESSED JUICES 11

Flex Appeal	\$12.00
kale, spinach, pineapple, ginger, mint This high iron drinks provides strength and fortitude, while also boosting digestion and energy. Spinach is loaded with nutrients for skin, hair, & bone health, providing protein, iron, vitamins and minerals. The pineapple contains fiber, potassium and vitamin C, which all support heart health (eat pineapple after a meal heavy in meat). Mint is a cleansing herb used for treating anemia and stomachaches, specifically indigestion.	
Truly Green	\$12.00
spinach, kale, celery, cucumber, parsley, lemon Our #1 seller, this juice alkalizes your system and balances your cells by boosting hydration and vitamin intake. A perfectly balanced, low sugar, alkalizing drink. As you go through your day, the stressors of the outside world deplete your body of nutrients and minerals. This drink has a wide range of vegetables - and lemon - which quickly and effectively boost your cells with the hydration and high vitamin content that they need to do their repair jobs well.	
Truth Be Told	\$10.50
spinach, cucumber, lime, apple Voted our best entry juice when diving into the cold press juice market! The vitamin C (lime) and iron (spinach) combo makes for easy absorption into cells.	
Fix Me Up	\$10.50
celery, green apple, fennel, lemon, cucumber Do you need a gut / brain repair after a little too much partying? This juice will help! Fennel is calming and soothing and promotes bile secretion which aids in digestion while celery harmonizes the gut and cucumbers hydrate the body.	
The Fighter	\$10.50
grapefruit, lemon, carrot, ginger, green apple Feel a cold coming on? Fight it off with this vitamin C powerhouse! Carrots stimulate your body's digestive juices; citrus fruits boost immunity; and ginger is anti-viral which means it fights colds at a gut level.	

Smooth Sailing

\$10.50

beet, carrot, lemon, ginger, green apple' Beets aid in healthy nerve and muscle function, and many athletes use beets instead of caffeine for increased performance! Beets are high in immune-boosting vitamin C, fiber, and essential minerals like potassium which is essential for healthy nerve and muscle function. The manganese in beets is good for your bones, liver, kidneys, and pancreas.

Toniq

\$12.00

cucumber, green apple, kale, lime, ginger, watercress This tonic helps purify the bloodstream, clear up acne and generate balance in the gut. Watercress is great for acne, bloating, and bad breath; cucumber is cooling; and ginger fights the microbes and viruses that cause sickness.

Wellness Shot

\$5.25

lemon, orange, ginger, fresh turmeric, cayenne These powerhouses pack a meaningful dose of immune boosting ingredients to inspire your system and support you all day long!

Immunity Shot

\$5.25

carrot, apple, cardamon, lemon, ginger These powerhouses pack a meaningful dose of immune boosting ingredients to inspire your system and support you all day long!

Celery Juice

\$10.50

100% celery juice Celery juice contains compounds called coumarins which are known to enhance the activity of certain white blood cells (yeah IMMUNE SUPPORT) and support the vascular system. (YEAH HEART HEALTH)! Celery juice is alkalizing, meaning it positively affects the pH balance of your gut, therefore immediately improving digestion; when your digestive tract is “on track” your skin clears up, you get brighter, lighter (weight loss and glowing skin) and more energized; celery juice encourages your body to behave its best...and when your body behaves, your mind is freed up to think clearly and brilliantly!
