ON TAP 49

Abita Purple Haze, Abita Brewing Co., Abita Springs, LA

Fruit Beer, 4.2% ABV, 13 IBU. Purple Haze is a lager brewed with real raspberries added after filtration. It is brewed with pilsner and wheat malts and Vanguard hops. The berries add a fruity aroma, tartly sweet taste and a subtle purple color and haze. You may see fruit pulp in the beer

AleSmith Hammerhead Speedway Stout, AleSmith Brewing Company, San Diego, CA

Imperial Stout, 12.0% ABV, 70 IBU. Jet Black, with an off-white head. Starts with a strong coffee and dark chocolate sensation, then fades to a multitude of toasty, roasty and caramel malt flavors. Clean and crisp, full-bodied. Warmth from the high alcohol content lightens up the feel. You won't fool your taste buds - this beer is HUGE!

Alltech Kentucky Bourbon Barrel Ale, Alltech, Lexington, KY

American Strong Ale, 8.19% ABV, 15 IBU. Award-winning Kentucky Bourbon Barrel Ale® is a unique sipping beer with the distinctive nose of a well-crafted bourbon. Our Kentucky Ale® is aged for up to six weeks in freshly decanted bourbon barrels from some of Kentucky's finest distilleries. Subtle yet familiar flavors of vanilla and oak are imparted to this special ale as it rests in the charred barrels. Pleasantly smooth and robust, Kentucky Bourbon Barrel Ale may also be served as an aperitif or after-dinner drink. Launched in 2006, it has grown to become the flagship beer of the premier name in barrel-aged beers: Alltech Lexington Brewing and Distilling Company

Angry Orchard Crisp Apple Cider, Angry Orchard Cider Co, Cincinnati, OH

Fruit Cider, 5.0% ABV, 7 IBU. This crisp and refreshing cider offers sweet apple notes up front with a subtle dryness at the finish for a balanced cider taste

Arrogant Bastard Ale, Stone Brewing Co., Escondido, CA

American Strong Ale, 7.2% ABV, 100 IBU. This is an aggressive beer. You probably won't like it. It is quite doubtful you have the taste or sophistication to be able to appreciate an ale of this quality or depth. We would suggest you stick to more familiar territory - maybe something with a multi-million dollar ad campaign aimed at convincing you it's made in a little brewery, or one that implies that its tasteless fizzy yellow beer will give you more sex appeal

Bell's Kalamazoo Hopsoulution Ale, Bell's Brewery, Kalamazoo, MI

Double IPA, 8.0% ABV, 90 IBU. Hopsoulution Ale falls roughly into the Double India Pale Ale category, incorporating several modern hop varieties from the Pacific Northwest with classic noble hops from Germany to present a blend of fruity, citrus, and resinous pine aromas. A mild caramel malt character and dry finish provide the counterpoint to these hop notes

Bell's Oberon Ale, Bell's Brewery, Kalamazoo, MI

American Wheat Ale, 5.8% ABV, 10 IBU. Bell's Oberon is a wheat ale fermented with Bell's signature house ale yeast, mixing a spicy hop character with mildly fruity aromas. The addition of wheat malt lends a smooth mouthfeel, making it the classic summer beer

Bell's Two Hearted Ale, Bell's Brewery, Kalamazoo, MI

American IPA, 7.0% ABV, 55 IBU. Hopped exclusively with the Centennial hop variety from the Pacific Northwest, massive additions in the kettle and again in the fermenter lend their characteristic grapefruit and pine resin aromas. A significant malt body balances this hop presence; together with the signature fruity aromas of Bell's house yeast, this leads to a remarkably drinkable American-style India Pale Ale

Breckenridge Ophelia Hoppy Wheat, Breckenridge Brewery, Littleton, CO

American Wheat Beer, 5.0% ABV, 23 IBU. A tale of two styles. The quintessential good girl gone mad. Subtle hints of citrus round out the complex aroma of Mosaic hops, for a beer so drinkable, it'll last through multiple acts

Bud Light, Anheuser-Busch, Inc., St. Louis, MO

American Lager, 4.3% ABV. A distinctive and sophisticated full-flavored beer with fine hop aroma, bold caramel malt flavor and a refreshingly clean finish. Brewed with two-row and roasted caramel malt for a rich color, and a blend of hand-selected premium American and Bavarian hops for balance and flavor. Budweiser Select spends approximately twice as long as regular beers in the brewhouse, which results in lower carbohydrate and calorie content after fermentation

Budweiser, Anheuser-Busch, Inc., St. Louis, MO

American Lager, 5.0% ABV, 12 IBU. Fresh and subtle fruit notes, a delicate malt sweetness and balanced bitterness for a clean, snappy finish. Dogfish Head 90 Minute IPA, Dogfish Head Craft Brewery, Milton, DE

Double IPA, 9.0% ABV, 90 IBU. Esquire Magazine calls our 90 Minute IPA., "perhaps the best I.P.A. in America." An Imperial I.P.A. brewed to be savored from a snifter. A big beer with a great malt backbone that stands up to the extreme hopping rate. 90 Minute IPA was our first continually-hopped beer, which is a method of hopping that allows for a pungent, but not crushing hop flavor. Since introducing the world to the continual-hopping method with our 90 Minute IPA, we've since released a continually-hopped 60 Minute IPA, 120 Minute IPA and even a 75 Minute IPA (a cask-conditioned blend of 60 & 90 Minute IPAs)
