The 55

"You can't hide anything in a cheese pizza Virgil! I taste your sauce, I taste your crust, and I can tell if you use good Mozzarella. It better be able to withstand 'The Fold!' If the crust can't handle the weight of cheese... go back to the drawing board pal. Anybody can put toppings on a pie. Only the best can make a great cheese pizza." A simple conversation in a bar in Lincoln, NE changed Virgil's view on pizza forever. The foundation of Piezon's Pizzeria is based on our ability to make you a great cheese pizza. Without a great foundation, great pizza cannot be built. Piezon's Pizzeria present "The 55". Inspired by two of Jersey's finest! Piezon's homamade dough, hand tossed crust, our secret recipe red sauce, delicious mozzarella cheese, cooked to perfection!
