Zesty Ranch

Creamy, tangy buttermilk ranch with hints of onion, garlic, and green herbs. Level up your Church's® chicken meal with this classic.

Creamy Jalapeño

One of the most unique dipping sauces! Creamy, savory, and flavored with mild green jalapeño bits. It could easily become your zesty bestie.

Honey BBQ

One of the boldest dipping sauces around, flavored with ripe tomato, honey, and hardwood smoke. Your taste buds will thank you.

Honey Mustard

The OG of Church's Texas Chicken® sauces. This creamy, yellow mustard-based sauce is sweetened with honey. Dip until your heart's content.

Brown Gravy

Rich, savory brown gravy perfect for dipping all of your favorite Church's® offerings.

SIDES 6

Mashed Potatoes & Gravy

Before you get to the potatoes, let's talk about our savory, rich gravy. OK, now that we've done that, imagine it over a generous portion of delicious mashed potatoes. Now that's perfection.

Fries

We fry things. It's what we do. So of course we have the best fries. Crinkle cut and crisp, they are perfect with our chicken. But good enough alone, too.

Coleslaw

Creamy, tangy and delicious. It's the perfect way to cool down your mouth after taking a bite of our spicy chicken.

Buttered Corn

Corn off-the-cob with a buttery sauce. A perfect companion to our best-in-class fried chicken and Honey-Butter Biscuits™.

Fried Okra

Fried okra is a passion – and hard to get just right. Ours is cut into delicious bite-sized bits, then fried to the perfect level of crisp. So perfect, most other joints won't even try.

Baked Mac & Cheese

We take mac & cheese, sprinkle shredded cheddar cheese on top, then bake it to golden perfection. A fork never had it so good.

SWEET TREATS 1

Apple Pie

Satisfy your sweet tooth with our apple pie. Juicy apple slices sprinkled with cinnamon and wrapped in a flaky crust. Can't ask for more than that. Except for another bite.

EXTRAS 3

Jalapeño Cheese Bombers®

Honey-Butter Biscuits™

We serve millions of biscuits every year because people are head-over-heels in love with them. Scratch-made in small batches all day long, and drizzled with honey butter, they don't just "sell like hotcakes." They sell like our Honey-Butter Biscuits™, which is better.

Jalapeño Peppers

Old-school Church's® guests have been doing it for decades. But they don't run around telling everyone about it, so we're telling you. Order a jalapeño pepper and squeeze the juice onto your chicken. In-the-know Church's® eaters have been rolling like that since 1952.
