## KRYSTALS 6

---

### Famous Krystal

krystal's signature product since 1932. the famous krystal, which is small in size but not in flavor, contains a thin, 100% usda all-beef burger patty grilled to perfection and made more appetizing by krystals traditional toppings: diced onions, tasty mustard and a juicy dill pickle - all on a square, steamy bun. or in short - simple, small, square, delicious.

---

### Double Krystal

the double krystal is krystals famous burger only double the burger, double the bun and double the toppings for twice the taste. served on krystals soft, square buns, the double krystal has two grilled, 100% usda all-beef burgers separated by a third slice of bun in the middle and topped with diced onions, mustard and two dill pickles on each individual burger patty.

---

### Cheese Krystal

the cheese krystal is just what it sounds like - a cheesy version of the same savory burger that made krystal famous. krystal takes a slice of american cheese and melts it atop the 100% usda all-beef burger patty while still on the grill and then adds the traditional diced onion, mustard and dill pickle toppings. all that sandwiched between two square, buttery buns makes cheesy krystal perfection.

---

### Double Cheese Krystal

krystals classic square hamburger stacked with two grilled, 100% usda all-beef burger patties and two slices of american cheese for two times the flavor. the double cheese krystal adds two of everything to not only double the burger, but also double the taste. the flavor is enhanced further with the krystal burger's traditional diced onions, mustard and dill pickle toppings placed on each individual cheeseburger patty.
